Sir:

In accordance with the duty of disclosure under 37 C.F.R. § 1.56, Applicant hereby notifies the U.S. Patent and Trademark Office of the documents which are listed on the attached PTO/SB/08 A & B (modified) form and/or listed herein and which the Examiner may deem material to patentability of the claims of the above-identified application.

One copy of each of the listed documents is submitted herewith, except for the following: U.S. patents and/or U.S. patent publications; and co-pending non-provisional U.S. applications filed after June 30, 2003.

The present Information Disclosure Statement is being filed: (1) No later than three months from the application's filing date; (2) Before the mailing date of the first Office Action on the merits (whichever is later); or (3) Before the mailing date of the first Office Action after filing a request for continued examination (RCE) under §1.114, and therefore, no Statement under 37 C.F.R. § 1.97(e) or fee under 37 C.F.R. § 1.17(p) is required.

In compliance with the concise explanation requirement under 37 C.F.R. § 1.98(a)(3) for foreign language documents, Applicant submits the following explanations. Also, references 5-8 listed below were previously disclosed in an Information Disclosure Statement filed on May 25, 2006, and Applicants refer the Examiner to the International Search Report, as well as the translation of the International Preliminary Report on Patentability, both submitted herewith. Applicants submit copies of the references listed herein for the Examiner's convenience.

1. The disclosure on page 2 of the present specification and the submission of an English language abstract for JP-A-10-323931 constitutes a concise statement of relevance of JP-A-10-323931.

2. The disclosure on page 2 of the present specification and the submission of an English language abstract for JP-A-2002-373056 and citing corresponding U.S. Patent 6,937,230 B2 constitutes a concise statement of relevance of JP-A-2002-373056.

3. The disclosure on pages 2 and 3 of the present specification and the submission of an English language abstract for JP-A-2001-84839 and citing corresponding U.S. Patent 6,495,253 B1 constitutes a concise statement of relevance of JP-A-2001-84839.

4. The disclosure on page 3 of the present specification and the submission of an English language abstract for JP-A-2002-36452 and citing corresponding U.S. Patent 6,613,426 B2 constitutes a concise statement of relevance of JP-A-2002-36452.

5. The indication in the International Search Report of the degree of relevance found by the foreign patent office of WO 03/020509 A1 and the submission of corresponding application EP 1 426 174 A1 constitutes a concise statement of relevance of WO 03/020509 A1.

6. The indication in the International Search Report of the degree of relevance found by the foreign patent office and the submission of an English language abstract for JP-A-9-234817 constitutes a concise statement of relevance of JP-A-9-234817.

7. The indication in the International Search Report of the degree of relevance found by the foreign patent office and the submission of an English language abstract for JP-A-8-216327 constitutes a concise statement of relevance of JP-A-8-216327.

8. The indication in the International Search Report of the degree of relevance found by the foreign patent office and the submission of an English language abstract for JP-A-6-218864 constitutes a concise statement of relevance of JP-A-6-218864.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
